Candidates, if you have not yet submitted the necessary forms to Joe Sanger, please arrive at the Convention no later than 9:00 a.m. so your paperwork can be checked for accuracy before the convention begins. This is important. Joe Sanger has been processing candidates since 1982 and has a good understanding of the necessary documents and requirements. Please don't run the risk of not having the paperwork done correctly. Being nominated by the party will accomplish nothing if the paperwork gets rejected by the state or county. Please come early.
